

**In New Zealand parents have the opportunity to take part in many aspects of school life. They can actively shape the school experience of their children and enjoy the feeling of belonging and friendship that members of a lively community share.**

**The Parent Teacher Association, PTA, is a group of parents and teachers that organise fundraising events for the school that bring everybody together for fun activities and gain some desperately needed income for the school. The money our school gets from the Ministry of Education is not enough to provide the high standard of learning experiences that we want for our students. That's why we are continuously looking for ways of creating more income for our school.**

**If you are interested in joining our PTA - even if you can only spare an hour of time here or there - please come to the meetings that are announced on our website and in our newsletter. We would love to see you there!**
