

Tuakana Waka Challenges 2023

Be the Difference to Ourselves, Others and the World

These Challenges are to be completed either in school, at home or a mixture of both. To achieve the Waka Challenges end-of-year certificate, the student needs to have completed two of each of the following (under the Value headings Kindness, Respect, Responsibility and Resilience).

The Waka Challenges are collated over the year in a presentation format (such as a slideshow or display board).

At the end of the year, the students will have the opportunity to present their Waka Challenges to the class in a presentation of at least 2 minutes. **Do not send through completed Waka Challenges to the teacher.** Waka challenges will also act as an optional extra to homework activities.

Kindness- Atawhai	Respect - Manaaki	Responsibility - Tu Tika	Resilience - Tu Kaha
