Community Notices
PAGE 14

We have had a busy couple of weeks back at school with each Whanau team starting new inquiries and Year 4 returning from a fun filled action packed camp at Long Bay, Merc.

This newsletter contains quite a lot of information ranging from our up and coming community fundraiser events, to enrolment zone, information, to our Board of Trustees nominations, to the return of international students to Gulf Harbour School.

Please take the time to read all the way through this communication to also see what our Whanau teams have been getting up to in the first two weeks of Term 3.

PARKING

Please park sensibly

It is illegal to obstruct the road. If somebody unlawfully assumes ownership of areas of a road, they are breaking the law. If a person, without lawful authority or excuse, in any way wilfully obstructs the free passage along a road, they are also guilty of an offence.

Rule 6.14 covers parking on the footpath – **you cannot park on the footpath**. Rule 6.2 covers parking on the road, and says you should park off the roadway if possible. In urban areas with kerbs, this applies to parking bays and marked carparks.

Please also keep the front of the school clear where the cones are placed. This is the pick up zone for an after school care provider.

Thank you for your understanding and support in keeping our children safe from harm.

PROPOSED SCHOOL ENROLMENT

Due to roll growth and proposed residential development within the area the Ministry of Education is developing an enrolment scheme for Gulf Harbour School, which will be in effect for 1 January 2023. Having an enrolment scheme in place will ensure the Board of Trustees has a fair and transparent mechanism to manage the roll as it grows. Children that live within this area will have entitlement to enrol at Gulf Harbour School. The home zone area is shown on the map within the link below:

[Proposed Zoning Information](#)
[Guidelines](#)

Consultation process and timeline

The Ministry of Education is currently undertaking consultation about the proposed changes and new enrolment schemes. You can have your say by:

- Completing the survey at <https://consultation.education.govt.nz/education/gulf-harbour-school-enrolment-scheme>

OR

- Emailing auckland.enrolmentschemes@education.govt.nz if you have further questions or comments.

The Ministry will consider all feedback and liaise with the Board before making a final decision. The new schemes and changes will come into effect 1 January 2023.

'BE THE DIFFERENCE TO OURSELVES, OTHERS AND THE WORLD'

GHS International Programme

With NZ's borders opening we are delighted to be able to welcome back international students to GHS, with our first visitors arriving later this year.

International students are a valuable part of our school community and the education of all our students. They add a cultural richness to our school, bringing global perspectives and an international voice to classroom discussions and learning. They broaden the horizons of our domestic students through the experience of other cultures and the sharing of similarities and differences, promoting understanding and respect, and encouraging connection and communication. It also gives GHS students an opportunity to show manākitanga and display kindness and empathy as they welcome these students and help them learn and adjust to the Kiwi and GHS way. These are all important skills in global citizenship and preparing our students for a future in a globally connected world.

For the intrepid young international students and their families, it is a big undertaking and commitment to study abroad, and they come to have an immersive experience, improve their English language skills, and gain cultural exposure. Some stay for just a few weeks while others may look to study for a year or longer, and at times families then choose to migrate. At GHS we strive to provide an exceptional experience for them, integrating them fully into our school life while they are here, exposing them to everything that makes GHS great, and we often see huge personal growth even in students who stay only a short time. This is part of us Being the Difference to others and the world. You can see more about the GHS international programme on our school website.

We have previously had students from Japan, Russia, China, South Africa, Vietnam, Norway and South Korea, and as we reopen, we hope to welcome students from all around the world.

Do you know someone considering study in NZ?

Perhaps you have family who are keen to visit, and while here would love the opportunity for their children to participate in a NZ education? Or maybe a family friend who is looking for some study abroad experience in planning for later studies?

GHS is a great place for either short stay experiences or long term study, and to celebrate our borders reopening we have a Welcome Back Special available on tuition fees!

This is a fantastic opportunity for early returning students to get the full education experience at GHS at significantly reduced rates. These are strictly limited time offers for either short stay tasters of 1-4 weeks in 2022, or early bird bookings for long stay commencing February 2023.

Please share with anyone you know who may be interested in studying here, and your broader off-shore networks, and get in quick as these discounts won't be around long!

For further details about the International Student experience at GHS contact international@ghs.school.nz for our full information pack.

JUNIOR SCHOOL PURAPURA NEWS

THE ARTS!

This term, the tamariki are exploring 'The Arts'.

We had a fab launch day last week.

Make sure you check out the Learning story about this posted last Monday!

LET'S Dance

WE ARE ARTISTS!

We have been learning to share ideas & stories through art.

Purapura Need your Paint!!!

WE ARE LOOKING FOR DONATIONS OF ITEMS FROM THE FOLLOWING LIST FOR A TEAM PROJECT!

- WHITE PRIMER/UNDERCOAT
- PAINT BRUSHES
- TARPS
- ANY PAINT IN PRIMARY COLOURS
- MINERAL TURPENTINE
- ADULT HELP

REMEMBER!

Thank you to all who are supporting our rules regarding personal items. Unfortunately, items from home are creeping back in and this is causing distractions to teaching and learning.

If your child brings any toys/Pokémon cards/bag tags, personal pencil cases etc, they are the child's responsibility. These items are not permitted.

Teachers will not be looking for them if they are lost, or keeping things in their office space.

HERO CORNER

This term we want to share with you, ways to support engagement in learning.

Mondays= Learning Stories posted
Some posts ask you to respond, through 'likes' or 'comments'

MIDDLE SCHOOL

TEINA NEWS

REMINDERS

-Home learning books and bookbags need to be at school every day, please remind your child to bring these to school. If your child has lost their home learning book you will need to purchase a 115 exercise book replacement. They are on special at Whitcoulls for \$1.30 this month.

Commonwealth Games

This week the Year 3's took part in the first Teina Commonwealth Games! Over 20 countries were represented, but we were all united by our motto "Together we achieve". After the opening ceremony, the children took part in team relays, shot put and even javelin where they were awarded medals for 1st, 2nd and 3rd placings. We had special values awards for the children who were living and breathing our school values during the games. Ka pai tō mahi Year 3's!

Camp Merc

This week the Year 4's had an amazing time at Camp Merc. With our main focus for camp being "Together we achieve" the children worked together to encourage each other to step outside their comfort zones with the support of their peers. They were an absolute pleasure to take, and made us so proud of the way they showed our school values. Look out for a learning story next week with more information about what we got up to.

Young Ocean Explorers Visit

On Tuesday we are lucky enough to have Riley from the Young Ocean Explorers coming in to visit our school. Riley and her dad travel around NZ inspiring children to love and protect our oceans. To cover the cost of their visit we are having an "Under the Sea" themed mufti day on Monday, where the children are asked to bring a gold coin donation please.

Teina Whanau Jump Jam!

On Friday mornings we have been enjoying going out to do jump jump for fitness. We have been learning the dance to "Funky Town" and have been having lots of fun!

'BE THE DIFFERENCE TO OURSELVES, OTHERS AND THE WORLD'

- ## Reminders:
- **Homework** - Started again this week, as we continue to encourage greater independence from our Tuakana kids
 - **Uniform** - Please ensure that your child attends school with their full school uniform, including correct shoes

What's Been Happening?

Oh what a (Science-themed) night!

It was a wonderful night of Science-based entertainment at the end of last term - the students of Tuakana were able to display so much of their learning, and it was a real highlight to see so many of you attending and enjoying the sights and sounds! We very much look forward to the next Celebration Evening towards the end of this term!

Engaging with Te Reo

Each week, the Tuakana Students have a separate Te Reo Focus, coupled with a phrase. This week, it is about appreciating each other's work:

This Week's Phrase:
kaitiakitanga - meaning **Guardianship**

DON'T FORGET!

Cross Country:
 Training has begun! Weekly, on Wednesdays, Tuakana will be put through their paces as we build up to the annual Cross Country Event.

When?
 Thursday, 1st September at Shakespear Regional Park

This Week's Top Tip

Read theory is an excellent resource, which really hones in your child's ability to comprehend what they have read. It is easy-to-use, and the students really engage with it! Your child should have a log in and be able to practice these skills often

All Singing and All Dancing!

Setting the Scene: We began our new Inquiry topic for this term, with a rather unusual mini-production of The Lorax! The teachers were magnificent with their acting as we played out the Dr Seuss classic, which helped set the scene for this term's Inquiry

What to Expect: We will be using the themes of the Lorax to deep-delve into The Rainforest and the impact of Deforestation, linking in Calendar Art, plus persuasive writing and Case Studies

What the Students Think (So Far...):
 "I like that we are learning about rainforests and the creatures inside it, also we are not just learning about 1 rainforest we are learning about a bunch of them. I also love learning that what people do to the rainforest affects people's daily life." - Sara (Rm 21)
 "I like that we are learning about the rainforest and deforestation and I love how we are learning about how to stop deforestation that happens in the rainforest" - Elsie (Rm 23)
