

Purapura- Year 2 Waka Challenges

Below are a list of challenges that we would like you to complete throughout the year. We are encouraging children to complete a minimum of 12 challenges (3 from each value) and be able to show evidence e.g. a photograph, video, drawing that you can upload to HERO under their GHS Waka Citizenship goals tab.

If you can already do some of these challenges we would really encourage you to take on the last challenge of designing your own.
