

Year 3 and 4 Waka Challenges 2023

Be the Difference to Ourselves, Others and the World

A minimum of 8 challenges are to be completed by Week 2, Term 4 with a completed log.

(2 challenges from each value)

The challenges need to be recorded **by your child** in the form of a scrapbook. This can include photos, drawings, a written explanation of what was done to complete the challenge, and could also include a reflection of how they felt after displaying the school value outside in the community.

There will be an opportunity for your child to share their scrapbook with the class towards the end of the year when it is complete.

Kindness- Atawhai	Respect - Manaaki	Responsibility - Tu Tika	Resilience - Tu Kaha
<ul style="list-style-type: none"> ● Help an elderly person at least twice over a term and write a recount about what I did. ● Develop skills to help others, eg: join brownies, surf life saving, church group and show how through this you have helped others. ● Garden/weed for a neighbour/friend regularly over a term and document. Record each session in a gardening log and have it signed off. ● Create or modify an outside game and teach it to the class. Write the rules and share your game. ● Create and make a useful item of your choice eg: a scarf, a pot holder. Take a photo before you give it to somebody that would appreciate it. <p>● Design your own challenge.</p>	<ul style="list-style-type: none"> ● Plant and care for a plant for a term. Document its growth. ● Take a walk with your family and collect rubbish off the beach/ park/bush etc. Take a photograph, write about what you saw. ● Carry out a rubbish audit at home and decide how you could reduce the rubbish that your family produces. ● Make a “respect” poster using digital technology. ● Put together a presentation about a culture of your choice. ● Write a script demonstrating someone showing respect. <p>● Design your own challenge.</p>	<ul style="list-style-type: none"> ● Take a shared responsibility for household chores for a term. Create a chore chart for two weeks. ● Help to compile a shopping list and show how you have compared prices between two items. Show how much money you saved. ● Walk, bus, scooter or bike to school for a term. ● Research a topic that interests you and present your findings to the class as a high quality poster or slideshow. ● Create and illustrate a short story or a comic teaching about responsibility. ● Make your own healthy packed lunch for school once a week. Take 10 photos as evidence. <p>● Design your own challenge.</p>	<ul style="list-style-type: none"> ● Learn a new skill e.g. tie your shoelaces, reading analogue time. Demonstrate this to the class. ● Explore the outdoors and complete a challenging walk with your family eg: Rangitoto, Wenderholm. Share some photos. ● Participate in the Weetbix Tryathlon or something similar and bring in your certificate/medals. ● Participate in a sport for an entire season eg: soccer, netball. ● Improve your swimming skills eg: speed, distance, stroke style. Show a certificate or photo when you move up a level ● Enter a competition that demonstrates a skill. ● Learn greetings and how to count to twenty in a language that you don't yet speak. ● Learn a new skill: join a dance class, drama group, art class, play a musical instrument <p>● Design your own challenge.</p>
