TEACHING & NURTURING OUR COMMUNITY TOGETHER

Thank you to all of the families that turned out at the weekend for our working bee. Despite the terrible weather forecast Mrs Southgate led a hardworking team on Sunday with the mission to clear and tidy our school grounds. The results are amazing!

**WHAT A
TEAM!**

IMPORTANT - ENROLMY TERMS & CONDITIONS

SPORTS REGISTRATIONS

The Gulf Harbour School Board of Trustees has developed the following terms and conditions:

Please read these Terms carefully before accessing or using Enrolmy.

Entries are accepted only with full payment of the Activity fee from Term 3 2022 onwards.

Prompt payment of your invoices is expected. If you have outstanding invoices going into a new term your place on the team or at the activity will be subject to outstanding debts being paid.

Once you have registered on Enrolmy this is your booking for that particular activity, this is **not** a reservation but an actual booking.

Once the invoice has been generated and sent then you are liable for payment. Please note that all external providers and Gulf Harbour School **will not refund if you change your mind.**

School based Teams

Once you have been assigned to a team then you are committed to play for this team for that term.

No refunds will be given once you have been assigned a team.

No uniforms for the teams - Gulf Harbour PE Uniform/Blue t-shirt and shorts are fine.

Once teams have been finalised there will be **no changes.**

If you have any special requests they are to be made at the time of registration/booking i.e. if you need to be with someone specifically for transport reasons etc. please email Ruth or Sharon to let them know asap as after registration its too late.

No late registrations will be accepted.

If the provider cancels games or tournaments depending on their refund policy you will be refunded/credited accordingly.

Gulf Harbour School reserves the right to refuse this service to anyone for any reason at any time.

JUNIOR SCHOOL PURAPURA NEWS

The Māori concept of Ako is integral to life at GHS.

You may remember, at the start of the year, we talked about Pink to Think & Gold for Glory.

In the Purapura Whānau, this is how we introduce our children to Ako.

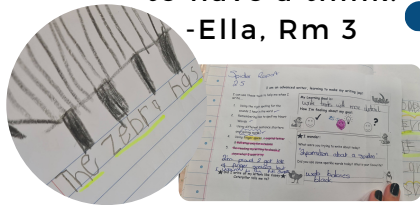

If you remember...

“this is gold because I can do it.”
-Danny, Rm 9

By providing them with the tools & language to reflect on their learning, & decide their next steps, we support our children to be active partners in their growth & development as learners.

“Pink to Think means I'm learning to do it and I have to have a think.”
-Ella, Rm 3

“Blue means Blue to Do- that I forgot so have to fix it up.”
-Callum, Rm 9

In the Purapura Whānau, we take a progressional approach that encourages our tamariki to deepen their awareness of Ako as they move from Year 1, to Year 2.

You might hear older children talk about 'Blue to Do'. This is the next step in Ako- remembering to bring all the skills you know to the teaching & learning.

Ako is a big concept for our tamariki, so we focus our use of this idea during our Structured Literacy time.

WATCH OUT FOR FUTURE WHĀNAU WORKSHOPS TO DISCOVER MORE & LEARN ABOUT SUPPORTING YOUR TAMARIKI AT HOME.

WHAT IS STRUCTURED LITERACY?

The systematic & explicit teaching of reading & writing skills.

To deliver this learning, we use...

- Better Start Literacy Approach
- Heggerty or Yolanda Soryl Phonics
- A mix of Whole Class & Small Group work
- Link our Reading & Writing to our Inquiry to motivate & inspire the tamariki!

REMEMBER!

Please only navy blue/black socks and hair ties. NO NAIL POLISH or MAKE-UP is allowed. Please, please name your child's clothes!

As we have to keep our doors & windows open, please be mindful of your proximity to the classroom as you wait to pick up your child. Children are very easily distracted!

We promote healthy lunches at GHS. Fruits or veggies daily. Water only. No lollies, juice, milkshakes etc please.

Friday Rotations

Our Friday rotations continue to be a fabulous success!

The activities range from Performing Arts to Fine Art, Bike Maintenance to Kapa Haka, Science to Digital Technology and Leadership.

The students love the variation, and enjoy the different challenges that each rotation brings.

Not only are we zoning in on life skills, but also adaptability and how to follow a timetable (very useful for transition to High School!)

FUTURE FOOTBALL SUPERSTARS!

Last week at stanmore bay football field lots of school football teams came together for the yearly tournament. 7 aside. Our team was a mix of boys and girls and we played great together as a team with a great coach. Richie. Our school caretaker. He took the time to coach us in school lunchtimes every week to get us ready.

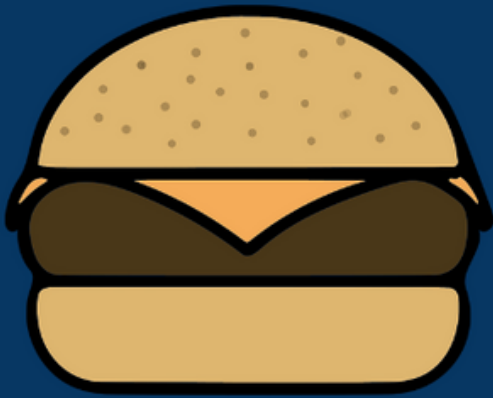

Last year we made it to the semi-finals so this year Richie pushed us hard to get us the win. And we did. We played 9 games, winning every game. We played great together as a team and our hard work and dedication paid off. We won the whole tournament. It was brilliant and we all had lots of fun. By Joey Perry-MacLeod
