

YOUR PASSION PROJECT 2022

What is a Passion Project?

A Passion Project is where you choose an area that you're interested in, whether that be a hobby, something you've seen/would like to know more about, and you complete a series of activities based in and around that area.

The expectation is that you would complete two activities from the activities list below, every week.

How Long Have I Got?

The Passion Project will last for this term. If you are at home for longer periods of time, you will be expected to complete more activities, of course (if, for example, you are isolating from Covid).

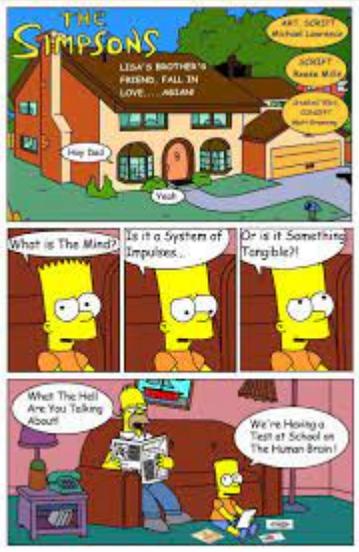

By the end of the term, you should have completed at least 8 activities.

How Do I Present My Work?

Your teacher will ask you to present a 2-minute presentation to the other children in the class. Your teacher will explain when this presentation is required, but it is your responsibility to let your teacher know when you have completed 8 activities, and have your presentation ready. All children are expected to do a presentation of their Passion Project by the end of the term.

You can also create a Kahoot, based on your Passion Project, as part of the Presentation (after the initial 2 minutes)

Here are the activities below for you to choose from:

<p>Fact File: Create a fact file that details the most important aspects of your choice, or specific, smaller aspects</p> 	<p>Painting: Create a painting that depicts your choice in 'action'</p> 	<p>Comic Strip: Create a comic strip that shows your choice taking place</p> 	<p>Collage: Create a collage linked to your choice</p> 
<p>Short Story: Write a short story based around</p>	<p>Game Design: Can you create a game, using</p>	<p>Board Game Design: Can you create a game that can</p>	<p>What is it All About? Create an explanation text that</p>

your choice. You could be in this story (first person) or it could be about somebody else (at least 300 words)

Scratch (or another appropriate programme) that depicts your choice?

be played with family & friends?

describes what your choice is to those who don't know much about it

Mathematise It!

Can you create Maths word problems or challenges related to your choice?

Needs to be at least 3 and you need to be able to work out the answers yourself!

Create a Documentary:

Can you create a short film that shows an aspect of your choice? Could be explaining a key part, or showing you actually doing it (if that is possible?!)

Write a Letter:

Choose somebody related to your choice (made up or real) and write them a letter/email - what would you ask them? See if you can come up with at least 3 questions.

Phone Conversation:

If you were to speak with somebody related to your choice, what might the conversation be and how would it play out? Create a two-way conversation between you and this person.

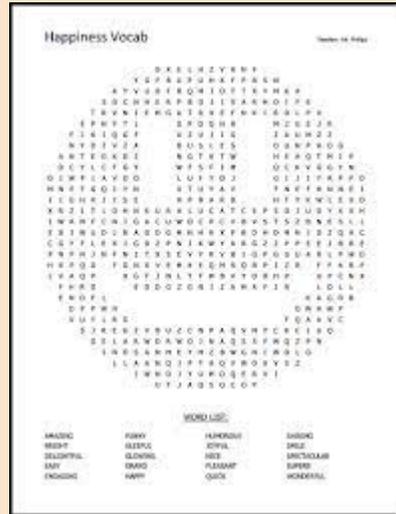

3-D Diorama:

Create a 3-D version of your choice!

Word Search or Crossword:

Have a go at creating your own word search or crossword related to your choice

Toy or Game:

Have a go at creating your own toy or game for a specific age range (outlined below):

- 0-2 yrs
- 3-5 yrs
- 6-11 yrs
- 11+

Plan it out (labelled drawing is fine)

Your Own Idea:

Have you come up with an activity not on here? Then share that idea with your teacher and if agreed, go for it!

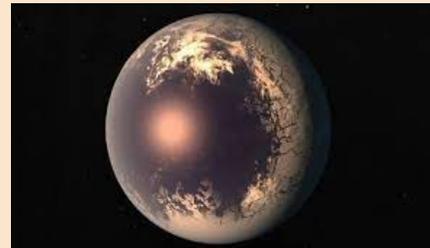

Create a 'Top 10' of the reasons why your activity is so great. Order them from most important to least important reasons

Explain to an alien what your project is about - make sure you are really clear, as aliens won't understand a lot of the basics!

Imagine there is a planet where the only thing that exists on this planet relates directly to your Passion Project Theme - what would it look like/feel like? Draw or write about it

Persuade me to buy a product that directly links to your Passion Project in under 100 words. Think about pictures, labelling, special offers etc

HAVE YOU COMPLETED AT LEAST 8 ACTIVITIES?

THEN YOU ARE READY TO PRESENT YOUR WORK TO THE CLASS! LET YOUR TEACHER KNOW WHEN YOU'RE READY AND THEY WILL ORGANISE A TIME FOR YOU TO PRESENT. MAKE SURE YOU HAVE PLANNED A 2-MINUTE PRESENTATION TO THE CLASS.

GOOD LUCK!
